What's inside

“ Every child has the right to relax, play and take part in a range of cultural and artistic activities.”

**Article 31 of the United Nations
Convention of the Rights of the Child**

A note from our Director

Welcome to our action-packed 2025 Schools Programme!

With rates of reading for enjoyment amongst children currently at an all-time low, we know how difficult it can be to generate excitement for books – and that the incredible advocacy of teachers and librarians like you has never been important in encouraging young people to open their minds and hearts to books, and all the knowledge, comfort, and delight they can offer throughout their lives.

In creating the most memorable, joyful – and educational – events for pupils of all ages, we hope we can help you fight the corner for the written word. Whether you'll be visiting for the first time this year, or you're a Festival regular, you'll find plenty to ignite imaginations, spark creativity, and inspire wonder.

We want to make sure that as many schools as possible get to enjoy our vibrant programme, so since last year we've consulted with teachers and librarians who brought pupils to our 2024 Festival about how we could best support them, and others. These conversations highlighted that the biggest challenge for many schools was the cost of transport to the Festival site, which in some cases was thousands of pounds.

So, to increase the amount of travel supporting funding available to bring schools to site from near and far, we're introducing a small ticket price of £4 per pupil. This change will also ensure that all attending pupils still leave their visit with a free book to treasure.

But we never want ticket cost to be a barrier to experiencing the Festival and our fantastic authors, so as well as applying for our transport fund, teachers and librarians can also apply for free tickets for pupils whose families are unable to cover ticket costs. We believe that this approach will enable even more young people to attend the Festival whilst maintaining free access to those who need it, and as a charity we are hugely grateful to our Supporters for making this, and our overall Schools Programme, possible.

If you would like to talk to us about how we can support your visit – whether you've never visited before, or you're a well-kent face – please contact us at: schools@edbookfest.co.uk.

I hope to see you in August!
